ADARSH KANAUJIYA

Gorakhpur, Uttar Pradesh | GitHub | LinkedIn

CAREER OBJECTIVE

BCA second-year student seeking a Web Development Internship to apply foundational knowledge of HTML, CSS, JavaScript, and C while continuing to learn through practical projects. Interested in building accessible, responsive, and user-friendly web experiences.

EDUCATION

Bachelor of Computer Applications (BCA) — Second Year

Kailash Institute of Management, GIDA, Gorakhpur | Expected Graduation: 2028

Class XII — Completed

TECHNICAL SKILLS

Programming: C (basic fundamentals)

Web Development: HTML, CSS, JavaScript (beginner-level fundamentals)

Tools: Git and GitHub (basic usage)

PROJECT

Personal Developer Portfolio Website

Created a personal portfolio website to present profile information, skills, and project details. Worked with HTML and CSS for page structure and styling, and JavaScript for interactive behaviour. Published the project using GitHub Pages.

Live Website: adarsh-devl.github.io/adarsh-portfolio/

Source Code: github.com/adarsh-devl/adarsh-portfolio

STRENGTHS

Willingness to learn, consistent practice, and interest in improving practical development skills.

ADDITIONAL INFORMATION

Seeking an entry-level Web Development Internship; open to learning and contributing as a fresher.
